FOR YOUTH

TRI-CITY YOUTH COURT IS...

A voluntary alternative to the traditional juvenile justice system for first time offenders who are under the age of 20 and who have committed a violation or a misdemeanor crime. The sentence they receive is in the form of community service projects, specialized assignments such as a written / verbal apology, essay, educational classes, jail tour or counseling sessions. With the addition of two hours of Youth Court jury duty, their sentence is completed.

What advantages does Youth Court offer the offender . . .
